# JLT – THE BROKER OF CHOICE

The oil and gas industry plays a significant role in the Canadian economy. The unique challenges inherent in the success of oil & gas companies are key considerations in the establishment and implementation of JLT's risk solutions and risk control services.

We understand oil and gas companies have specific insurance needs, and that premium pricing and breadth of coverage can significantly impact your bottom line.

Through our exclusive arrangements with international underwriters, our strong relationships with local markets, and our dedicated and knowledgeable staff, we are confident that JLT is the broker of choice for your insurance solutions and risk management advice.

We offer leading advice and transactional services for risks, including:

- General Liability / Automobile
- Physical Damage Operational Insurance / Business Interruption
- Environmental Liabilities including Reclamation Bonding
- Control of Well
- Construction Risks
- Terrorism
- Credit Risks
- Political Risks
- Financial Risks
- Marine and Aviation Insurance

## Local and Global Experience

At JLT Canada, we provide our oil & gas clientele with an experienced service team of professionals who will work with you in order to best assess and understand your unique set of needs. JLT operates worldwide, and our local experts will help you design a tailored Risk Management and Insurance Program. When you work with JLT Canada, you are accessing all of the expertise, programs, markets and services that JLT has to offer. This ensures that you are provided with the highest quality product available.

## Grow With Us

Our primary objective is to help our clients succeed. Our staff can help you understand and deal with the risks that your company faces. As you grow, your insurance needs will grow too. Some of the additional services that we offer include:

- Crisis Management
- Business Continuity
- Loss Control Engineering
- Claims Advocacy
